ESG | Doing our part for society

Promote Sustainability in the Environment

Exabytes maintains an annual tree planting exercise named “Let’s Plant A Tree” where we are committed to plant 1,000 trees each year to nurture a healthy environment and a safe habitat for everyone.

Corporate Social Responsibility

At Exabytes, our passion is not only to grow businesses digitally, but we place a big part of our yearly activities giving back to the community, be it through education, sponsorships, knowledge-sharing and/or nurturing the younger generation.

Practice Governance Internally & Externally

The education and enforcement on anti-bribery and anti-corruption within the company is a subject strictly abide to and practised amongst employees. Newly joined team members will be taken through a proper brief and quiz to ensure a good level of understanding for all.
